

Bio for John and Cassandra Johnson

In the year 1977 Johnson and I met through some friends of Johnson cousin Henry. During the picnic at Prospect Park, I drew my attention on Johnson by throwing a cup of water on him. In response, he threw water back at me. Through that water exchange, we started dating. We dated about two years, then decided to get married. We married, April 13, 1979. We have been married now for thirty year. We have three children. Tisha Johnson is the oldest daughter from a previous relationship. Irene and Candra, from our relationship together and five wonderful grandchildren.

Bio for Antonio & Marcia Barfield

Antonio Carl and Mar-cia Elizabeth are native Virginians. We met on July 4, 1982. After years of learning of each other and seeking God on what direction we should go, we were married on July 19, 1997. Out of this union God blessed us with a son, Demetrius Cameron. We were members of Abyssinia Baptist Church, Newport News, VA serving on the following ministries. Deaconess, Usher, Youth, Dance, Music and Hospitality. In 2006, we moved to Orlando, Florida and became family members with EBON Temple Inc. in 2007. The Marriage Ministry became one of our first tasks, which was new to us, but with God's help we knew that we could do all things through Him.
